Activity

Make a chart showing the feasts, and what they represent. Leviticus 23. See *Shadow of His Sacrifice*, page 81.

“The directions that Moses gave concerning the Passover feast are full of significance, and have an application to parents and children in this age of the world....

The father was to act as the priest of the household, and if the father was dead, the eldest son living was to perform this solemn act of sprinkling the doorpost with blood. This is a symbol of the work to be done in every family.

Parents are to gather their children into the home and to present Christ before them as their Passover.

The father is to dedicate every inmate of his home to God and to do a work that is represented by the feast of the Passover. It is perilous to leave this solemn duty in the hands of others.”
