

Temcat Mission Update: May 2024:

Greetings Brothers and Sisters;

April is heading out to make room for May flowers we hope. This month has seen victories and struggles for the Lord's Mission. Again, heartfelt thanks to all who remember the Mission in your prayers and share your gifts of love. We pray the Lord will send many blessings to you all! More and more It is time to keep our courage and hope always centered in the Lord He will never leave or disappoint us! Amen!

Drought!

<https://www.pathlightsjr.com/TemcatMission/Gallery/Gallery-8.html> The crop season that started out with such promise, turned into a disaster for the nation! We told last time about the relief agency supplies that came as a blessing to us. There was an unexpected outcome from that! Men from the relief agency came unannounced to both home mission and Rafingora, the 2 areas that had received supplies directly from them to check to see if we had been honest in our distribution. The amazing thing is that out of 30 chiefs and such that received supplies from them, we were the ONLY group that had handled them honestly! The others had hoarded, sold, or used them politically! Some chiefs were blacklisted even from receiving any more! And as a result, they have offered us a lot of freedom in getting more from them in the future! So the Lord's name was honored in that for sure! Our only challenge will be to fund the shipping costs. We will pray that will be worked out for us by the Lord also!

Baptism Tour!

Baptism count for the 2 months came to 1153. Praise the Lord for these dear souls! We need to keep all our new members and our groups in prayer that they stay close to Jesus and be faithful in these hard times. We hope to see them all in heaven. Again, remember these are never just baptized to get numbers, all are faithfully taught and reviewed before being baptized.

Occult Confrontation.

The lady we told about in the last newsletter, we now know as Granny N, is now a faithful church member she and her family attend regularly and are receiving Bible studies for baptism from our MMVs. She and her family are very happy. She knows a lot of herbs that heal many ailments and the MMVs are learning them from her as they teach her! She is a truly changed and repentant person. In the last group Ps T served, we had other occult confrontations that did not turn out so well. A lady and some others thought they could be baptised as just an add on to their witchcraft. She actually suffered a spirit attack and was rescued by much prayer. Then it was explained to them this was not just some ritual ceremony thing, it means a totally new life, surrendering and dying to the old life totally and getting rid of all occult attachments and items. Sadly they then backed off and so far chose to remain with their occult practices. None of us should ever try to serve 2 masters, it is dangerous indeed!

Other News Items.

When the Pastors were at Rocklands they had special prayer for rain and the dam to be filled. He reported next day: "We just had a quick service. And finished. But believe me, soon as we dispersed it is downpouring like never before. Thundering and windy, first time this 2024 to rain this side. We praise God and continue praying for the miracle of water." Yes we sure need this in many groups! In Chegutu, Elder Masimba reported, "We are studying and group is growing. The fake competing religion is dying and no one wants to associate with it anymore. So they come to worship with us when we gather too." Pastor gave this testimony on the joy of serving the Lord and keeping Sabbath together! "As we welcome the sabbath we are just great. We are happy and healthy. The whole family at home and joyful. Such a treasure in this country, to have family peace, to have a home with smiling faces and food to eat, it's just joy beyond compare." Amen! May we all be joyful with these basic as well!

Something to think about: "Those who take Christ at His word, and surrender their souls to His keeping,

their lives to His ordering, will find peace and quietude. Nothing of the world can make them sad when Jesus makes them glad by His presence. In perfect acquiescence there is perfect rest. The Lord says, "Thou wilt keep him in perfect peace, whose mind is stayed on Thee: because he trusteth in Thee." Isaiah 26:3." DA 331.
